Flora and Fauna *and other songs of nature*

Kendal Town Hall, Tuesday 2 July at 7.30pm

Doors open at 7pm

Levens Choir once again takes to the Town Hall stage to present a very different concert to its normal fare. Through madrigals, part songs and folk songs we celebrate the natural world.

Four members of the choir form the *AdLib* folk song group to sing in this concert along with the whole choir, and Ken Forster both accompanying and playing his own suitably ecological piano solo!

From songs beautifully evocative of the natural world by Gerald Finzi and Camille Saint-Saens to Andrew Carter's upbeat setting of the *Teddy Bears' Picnic* and John Rutter's witty setting of *The Owl and the Pussycat*. And the 17th century's invitation to *All Creatures* to celebrate the reign of Elizabeth I, to Eric Whitacre's hilarious settings of poems by Ogden Nash. Levens Choir's concert will be ideal for a summer evening.
